Happy New Year!

May you be happy and prosperous

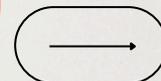

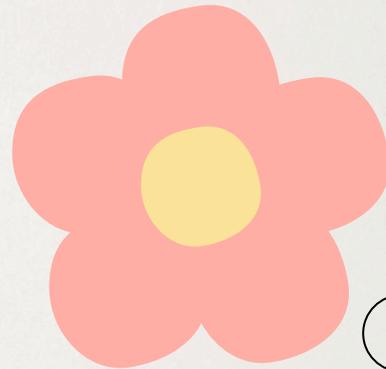

Christmas celebrations at the care home started with holiday bingo. Our residents had a blast winning prizes and being in each other's company. After the games, our residents opened up gifts from caregivers and families. To top off the Christmas celebrations, the residents enjoyed fresh baked ham and mashed potatoes.

We enjoyed our New Years Eve in good company with family and friends. Our residents ate a lot of great food barbecued and prepared by our very own Fritz Medalla along with his son Kodee Medalla. Also, big thank you to Mr. Joe for leading us in a heartfelt prayer. After our feast, our residents enjoyed many rounds of New Years Eve bingo!

Height : 5'2

Weight: 82 kg

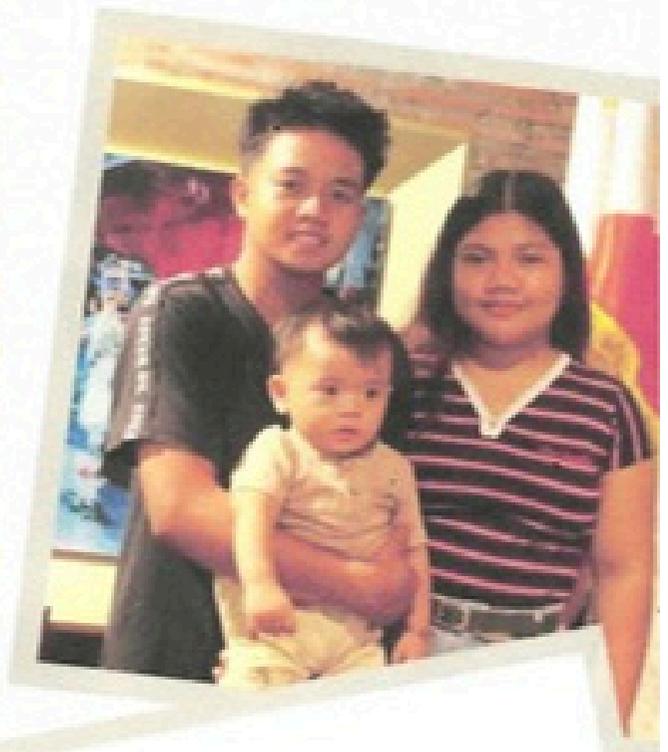

## About Me

My name is Diana Hidalgo i live in Brgy. Suyo Dingras Ilocos Norte, and this is my story about being in a long-distance relationship with my partner and my son who are in the Philippines while I am living in Hawaii. Being far from my family has been one of the biggest challenges of my life. Every day, I miss their presence, laughter, and the simple moments we used to share.

Moving to Hawaii gave me the chance to build a better future for all of us. It's not easy to be away from the people I love most, but I keep my faith and determination strong. We communicate every day through calls and video chats, making sure that love and connection remain alive despite the distance.

My goal is to one day reunite with my family here in Hawaii, to give my son the opportunities he deserves and to finally be together again. This experience has taught me patience, strength, and the importance of family no matter how far apart we are.

## Favorite Colors:

Gray, Black, , Pink,

## Favorite Food:

Adobo, Pancit, Sinigang pampano,  
dinakdakan ( Filipino food )

## Facts about me

I love singing, dancing, cooking

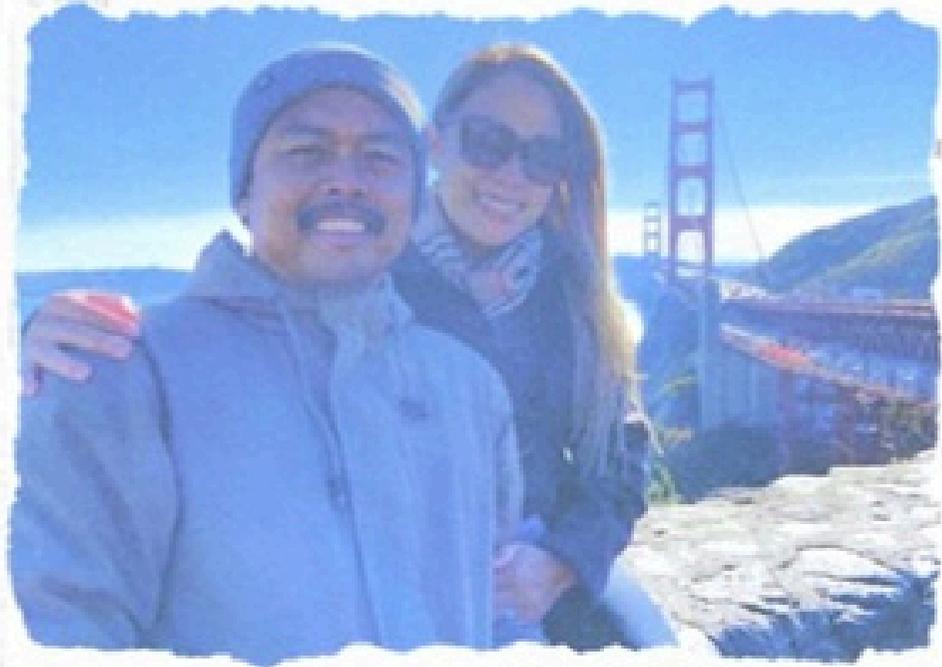

# VVCH

We are deeply thankful for Ate **Reina** and Kuya **Fritz** who make this possible and inspire us to serve with sincerity, to treat every resident like family, and to always lead with love.

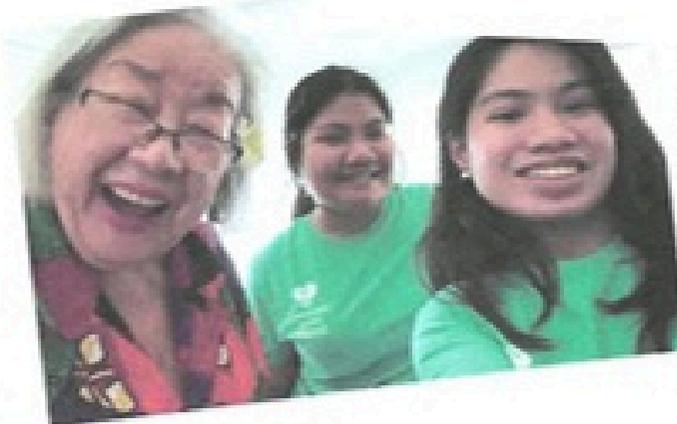

Working in or supporting a care home has taught me the true value of empathy, patience, and connection. Whether it's offering a smile, lending a helping hand, or simply spending time with residents, I believe every act of care makes a meaningful impact.

Care homes hold a special place in my heart because they represent love, togetherness, and humanity at its best. I am proud to be part of a world where caring for others is not just a job — it's a calling.

Our valley comfort care home continues to grow and flourish because of their example. For that, and for the countless lives they've touched, we are forever grateful.

Ate Reina and Kuya Fritz

## My Family

My big family is my greatest treasure. We are bound together by love, respect, and care for one another. No matter what challenges come our way, we stay strong because we have each other. Our home is filled with laughter, stories, and memories that remind us how blessed we are to be together.

Each member of my family has a unique role — we help, support, and inspire one another every day. We believe in kindness, honesty, and hard work, and we always try to spread love wherever we go.

Through good times and tough moments, my family remains my source of strength and happiness. They teach me what love truly means and remind me that home is not just a place — it's the people you share your heart with.
